PULP's Letter in Support of AGREE's Motion for Post-Hearing Briefs and Sur-replies

Dear Administrative Law Judges Costello and Leary:

The Public Utility Law Project of New York, Inc. ("PULP") submits this letter in support of AGREE and Sane Energy's joint motion seeking leave to file post-hearing briefs (and alternatively sur-reply statements in opposition to the Joint Proposal). The requested briefs will address issues related to the Climate Leadership and Community Protection Act ("CLCPA"), the Department of Public Service Staff's legal position on the CLCPA set forth in its Reply Statement in Support of the Joint Proposal, and the testimony elicited on cross-examination at the June 21, 2021, hearing. PULP believes that additional replies will result in a more robust and comprehensive record in these proceedings.

If you have any questions or concerns, please contact me directly.

Respectfully submitted,

/s/

Laurie Wheelock, Esq.
Richard Berkley, Esq.
