ORDER APPROVING TARIFF AMENDMENTS ON A PERMANENT BASIS

(Issued and Effective June 23, 2025)

BY THE COMMISSION:

INTRODUCTION

On February 25, 2025, The Brooklyn Union Gas Company d/b/a National Grid NY (KEDNY) and KeySpan Gas East Corporation d/b/a National Grid (KEDLI) (together, the Companies) filed tariff amendments to their tariff schedules P.S.C. Nos. 12 – Gas and P.S.C. No. 1 – Gas, respectively, as required by the

Commission's 2024 Rate Order issued in these proceedings.[1] The Companies' proposed amendments became effective on a temporary basis on April 1, 2025, effectuating the rates and terms for Rate Year (RY) 2 of the three-year rate plans adopted by the 2024 Rate Order.

By this Order, the Commission authorizes the tariff amendments listed in the Appendix to become effective on a permanent basis as of the date of issuance of this Order.

BACKGROUND

The 2024 Rate Order adopted the terms of the Joint Proposal, with minor modification and corrections, and established a three-year rate plan for gas service for the period beginning April 1, 2024, through March 31, 2027.[2] The approved rate plans provide for a RY 2 revenue increase of $287.52 million for KEDNY and $161.14 million for KEDLI.

The 2024 Rate Order directed the Companies to file, on not less than 30 days' notice, tariff amendments, as necessary, to effectuate the RY 2 terms to become effective on April 1, 2025, on a temporary basis. The amendments set forth in the compliance filings would not become effective on a permanent basis until approved by the Commission.

[2] Rate year two (RY 2) of the rate plan established by the 2024 Rate Order is the twelve-month period beginning April 1, 2025, and ending March 31, 2026. Rate year three (RY 3) is the twelve-month period beginning April 1, 2026, and ending March 31, 2027.

TARIFF FILINGS

On February 25, 2025, the Companies filed amendments to their tariff schedules to implement the RY 2 rates as required by the Commission's 2024 Rate Order. The tariff amendments also include a minor housekeeping revision to KEDLI's Leaf No. 78, in P.S.C. No. 1 – Gas, to correct a typographical error, which erroneously notated section "I" instead of "(c)" in the definitions section list for normal heating degree days. The February 25, 2025 filings became effective on a temporary basis on April 1, 2025.

The Companies complied with the requirements of newspaper publication pursuant to Public Service Law (PSL) §66(12)(b) and Title 16 of the New York Codes, Rules and Regulations (NYCRR) §720-8.1 for their February 25, 2025 filings.

The Appendix to this Order contains a list of the tariff amendments the Companies have filed and the dates of newspaper publication. In the 2024 Rate Order, the Commission stated that parties wishing to comment on the tariff amendments may do so by filing such comments with the Secretary to the Commission within ten days of service of the tariff amendments.[3] No comments were filed in response to the Companies' compliance filings.

LEGAL AUTHORITY

Pursuant to PSL §§5, 65(1), and 66(1) and (12), the Commission has the legal authority to review the proposed tariff leaves, as well as modify, reject or approve such filed tariffs to ensure that the rates and services governed by those tariffs are just and reasonable and otherwise consistent with law. As such, the Commission has the legal authority to review and

approve tariff amendments on a permanent basis, as prescribed in this Order.

DISCUSSION AND CONCLUSION

The Companies' proposed tariff amendments properly reflect the directives of the 2024 Rate Order, including the rates and charges necessary to effectuate RY 2. Further, the proposed revision to KEDLI's Leaf No. 78, in P.S.C. No. 1 – Gas, to correct a typographical error, is housekeeping in nature. Therefore, the Commission authorizes the tariff amendments filed on February 25, 2025, and listed in the Appendix, to become effective on a permanent basis as of the date of issuance of this Order.

The Commission orders:

1. The tariff amendments filed by The Brooklyn Union Gas Company d/b/a National Grid NY and KeySpan Gas East Corporation d/b/a National Grid, and listed in the Appendix to this Order, are authorized to become effective on a permanent basis upon the date of issuance of this Order.

2. These proceedings are continued.

By the Commission,

(SIGNED) MICHELLE L. PHILLIPS
Secretary
