Case 23-G-0226 Proceeding on the Motion of the Commission as to the Rates, Charges, Rules and Regulations of KeySpan Gas East Corporation d/b/a National Grid for Gas Service

Dear Secretary Phillips:

PULP submits for filing, corrections to the testimony of William D. Yates, CPA, originally filed August 31, 2023. Please find attached two documents. The first is a corrected clean version of Mr. Yates' testimony and the second is a corrected redline version of his testimony. The need to submit corrected testimony was caused by a loss of data in Mr. Yates' workpapers after printing Exhibit ___(WDY-03) derived therefrom and before saving the workpapers Excel file. The loss of data impacted the data Chart 3 and several textual references. However, the data loss did not affect Exhibit ___(WDY-03) itself as that exhibit had been printed before the loss occurred. The specific changes to Mr. Yates' testimony are as follows:

- Page 9, Line 20: "$482 million" has been replaced with "$485 million".
- Page 37, Line 11: "$482 million" has been replaced with "$485 million".
- Page 37, Line 13: Chart 3 has been replaced to reflect a Rate Year 2 value of $2.5 million instead of $0.1 million, and a total of $484.6 million instead of $482.2 million.
- Page 37, Line 16: "$482 million" has been replaced with "$485 million".
- Page 39, Line 23: "$482 million" has been replaced with "$485 million".
- Page 45, Line 1: "$482 million" has been replaced with "$485 million".
- Page 52, Line 27: "8.97%" has been replaced with "8.90%".

Do not hesitate to contact PULP if there are any questions. We can be reached on 518.930.4351. Thank you.

Respectfully submitted,

/s/
