Exhibit 5

Extensions, Deferred Payment Agreements, and Balanced Billing

Notes:

Objectives

By the end of this module, you will be able to:

1. Review an account to determine extension and payment plan eligibility.
2. Offer and activate a deferred payment agreement.
3. Enroll a customer on Balanced Billing.

Granting an Extension

An extension is a special condition that is added to a customer's account. Conversation CACE allows you to add a special condition to a customer's account. The extension appears in CRIS as STOP FIELD ACTIVITY.

Note: It is important to understand that an extension will not stop any collection-related activity except the Field Representative will not visit the premises to Collect or Lock the Meter. All other collection-related activity continues.

The code SFACT appears in the banner and in conversation IQCS if the customer currently has an extension.

Credit Extension Eligibility

Residential Customers

All residential customers are eligible for up to a 30-day extension unless they requested an extension within the prior 6-months or they are required to earn an extension.

Requested Extension

Residential customers may request an extension at any time. If they request an extension they are not eligible for another extension for 6-months. *Use common sense and good judgment when determining whether a customer is eligible for another extension before you refuse the request.*

Requirement to Earn an Extension

Residential customers, who defaulted on a Specific Agreement within the prior 18-months and are unable to pay the reinstatement amount, must earn an extension.

Note: If the customer must earn an extension, the payment must be made BEFORE the extension is given.

Time Requested	Payment Percentage Required
1-week extension	30% of the arrears (termination balance)
2-week extension	40% of the arrears (termination balance)
4-week extension	50% of the arrears (termination balance)

After the payment is accepted, the extension is added to the account.

If the customer wants to mail the payment or bring the payment into a Customer Office, do not add the extension. Notate the account and indicate in the remarks field the amount and the method of payment.

Extensions Not Requested by the Customer
National Grid may add an extension to a residential customer's account to complete needed activities. If National Grid added the extension within the last 6-months but the customer did not request the extension, the customer is still entitled to the requested extension.

Examples of Extensions not requested by the customer are:

- Active Attorney Referral
- Result of HH (Hand Held)
- Result of Matrix Activity

This information appears in the Remarks field in the Detail screen of conversation AHCL for an entry of ADD FIELD ACTIVITY STOP.

Residential customers may be granted an extension of up to 30 days. If the customer needs more than 30-days to pay the balance, you need to determine if the customer is eligible for a DPA.

Non-Residential Customers

Non-Residential customers may be eligible for an extension of up to 1 billing period if they have not had an extension for any reason within the last 6-months.

Monthly-billed non-residential customers may get up to a 30-day extension. Bi-Monthly billed non-residential customers may get up to a 60-day extension.

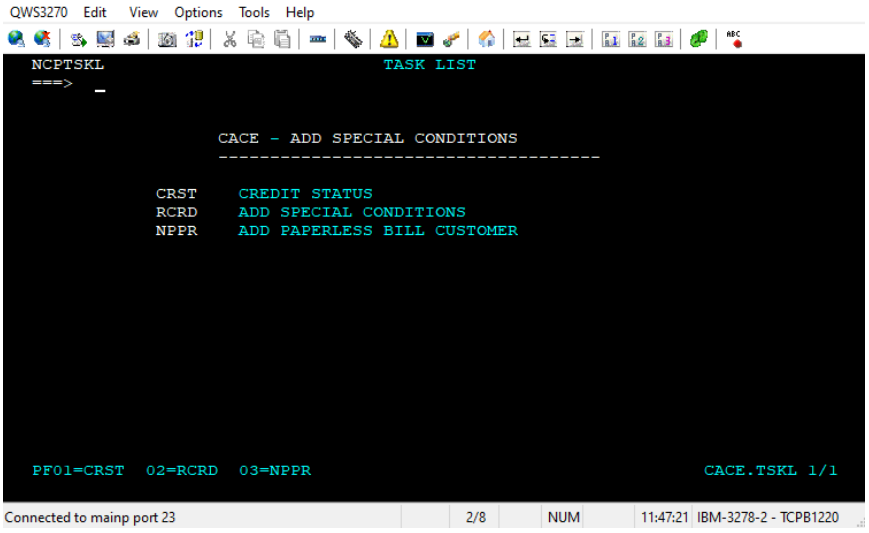
Notes:

Conversation CACE - Add Special Condition

Conversation CACE allows you to add a special condition to a customer's account. The most common type of special condition is a credit extension. Conversation CACE has 2 screens, these include:

Credit Status screen
Add Special Conditions screen

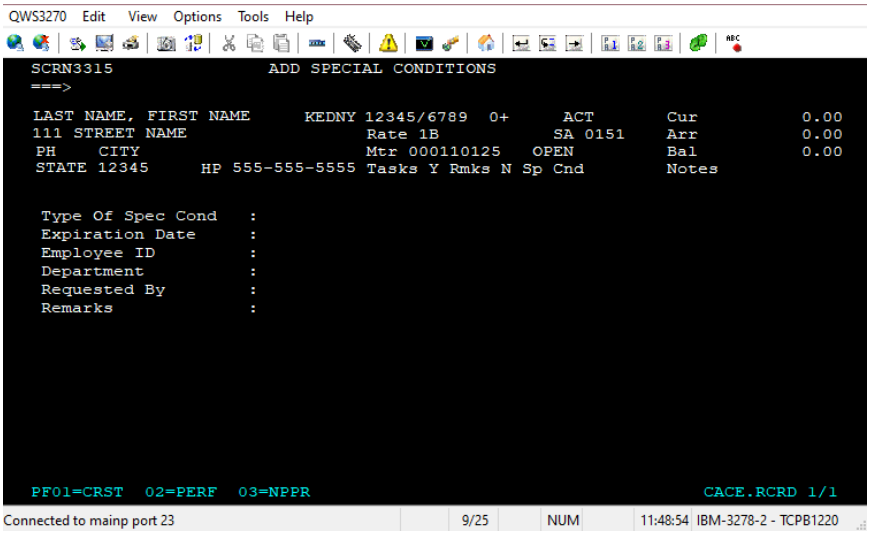
Conversation CACE – Add Special Conditions – Task List



The Credit Status screen (PF01) is conversation IQCS. *This conversation has been covered previously.* The Add Special Conditions screen (PF02) is used to add the special condition.

Notes:

Conversation CACE – Add Special Condition Screen (PF02)



This screen requires codes when selecting the Type of Special Condition. Field Level Help (?) is available.

Description of Fields

Type of Spec Cond – This is a code entry field. Type the appropriate code for the special condition that you are adding.

Note: Code 0008 – STOP FIELD ACTIVITY is used to add an extension for both residential and non-residential customers for the field eligible date.

Expiration Date – This is an entry field. Type the date that you want the extension to expire in this field.

Note: The date that you enter in the Expiration Date field will be displayed as the Field Eligible Date in conversation IQCS.

Employee ID – This is an entry field. Type your 5-digit employee ID number in this field.

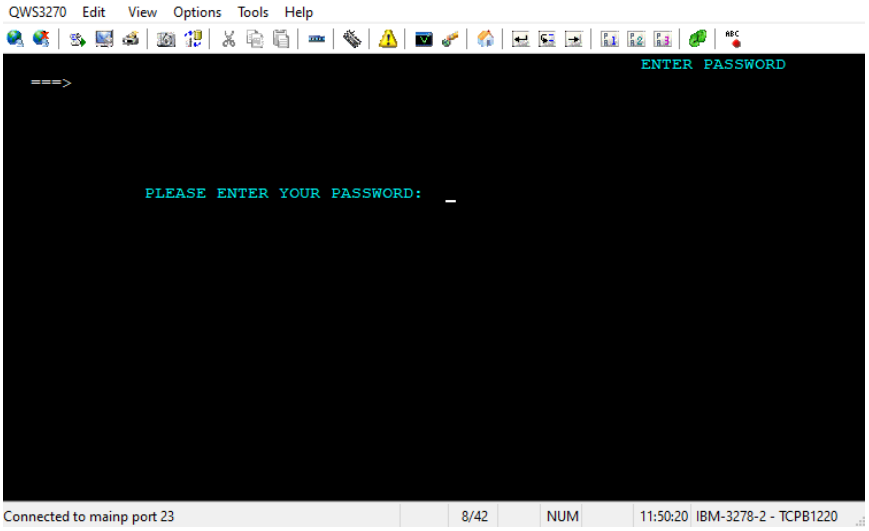
Department/Requested By – These fields are protected and you cannot enter any information in them. The information will be recorded based upon your 5-digit employee ID number.

Remarks – This is a free form message field. Type remarks based upon the reason that you are giving the extension.

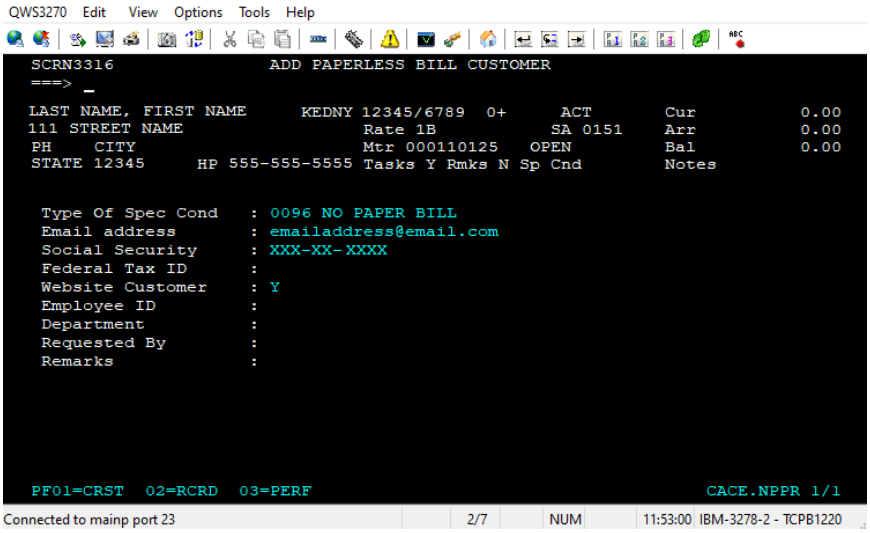
Select PF16 to process. Since Conversation CACE adds special conditions that may delay our ability to collect the A/R, the enter password screen appears. Type your CRIS password and hit enter.

Notes:

CRIS Enter Password Screen



Conversation CACE – Add Paperless Bill Customer Screen (PF03)



Description of Fields

Type of Spec Cond – This is a code entry field that will be automatically filled with 0098 – No Paper Bill.

E-mail Address – If an e-mail address is already recorded in conversation ASUA, this field will be automatically filled in with it. If there is no email address on record, enter the customer's email address here.

Social Security – This will be filled in with the last four digits of the customer's Social Security Number.

Notes:

Federal Tax ID – If applicable, a federal tax ID number will appear here.

Website Customer – This is a Y or N field. This field will indicate if the customer has a registered online account.

Employee ID – This is an entry field. Enter your CRIS ID here.

Department - This is a prefilled field that will determine your department code based on the employee ID number being entered.

Requested By – This is a prefilled field that will determine your name based on the employee ID number being entered.

Remarks – This is a free form field. Enter any necessary remarks.

Notes:

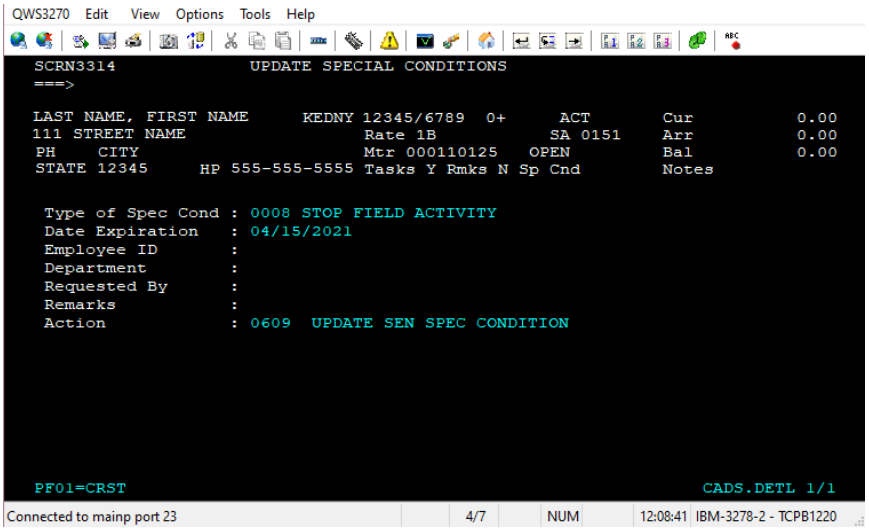
Conversation CADS – Update Special Conditions

Conversation CADS allows you to update a special condition on a customer's account. Conversation CADS has 2 screens, these include:

Credit Status screen
Update Special Conditions screen

The Credit Status screen (PF01) is conversation IQCS. This conversation has been covered previously. The Update Special Conditions screen (PF02) is used to update the special condition. In the Outbound Collections section, this conversation is generally used to add additional time to an extension.

Conversation CADS – Update Special Conditions Screen (PF02)



This screen is prefilled with the special condition that exists on the account. If more than 1 special condition exists, a screen is displayed listing all the existing special conditions. You would need to select the special condition that you want to update.

Description of Fields

Type of Spec Cond – This field is prefilled with the special condition that you want to update.

Date Expiration – This field is prefilled with the date that the existing special condition expires. This is an entry field, type the new expiration date.

Employee ID – This is an entry field. Type your employee ID number.

Notes:

Department/Requested By – These fields are protected. The data will record based upon the employee ID number.

Remarks – This is a free form message field. Type appropriate remarks with the reason that you are updating the special condition.

Action – This is a code entry field. Type the appropriate code for the action that you are completing. Field Level Help (?) is available.

Select PF16 to process. The enter password screen is displayed. Type your CRIS password and hit enter.

Notes:

Granting a Deferred Payment Agreement

Notes:

Customers may be eligible for a deferred payment agreement (DPA) to pay their balance. HEFPA and the PSC Rules provide regulations for eligibility and terms for a DPA. If a customer is unable to pay their bill and if eligible, an extension is not sufficient to pay the balance, review the account to determine if the customer is eligible for a DPA.

A DPA is an agreement between National Grid and the customer for payment of their outstanding balance.

Eligibility for a DPA

Residential Customers

All residential customers are eligible for a DPA unless the customer defaulted on a specific agreement within the prior 18-months.

Non-Residential Customers

All non-residential customers are eligible for a DPA unless they:

- Currently have a DPA.
- Defaulted on a DPA *for any reason* within the prior 12 months.
- Are a publicly held company (or subsidiary of a publicly held company).
- Are seasonal or short-term customers.
- Have a consumption of 4,000 therms or more within the prior 12 months.

Note: A non-residential customer is considered short-term (or temporary) if they request service for up to but not exceeding 2-years. A non-residential customer is considered seasonal if they apply for and receive service periodically, intermittently, or at irregular intervals throughout the year.

Determining if a DPA is Defaulted

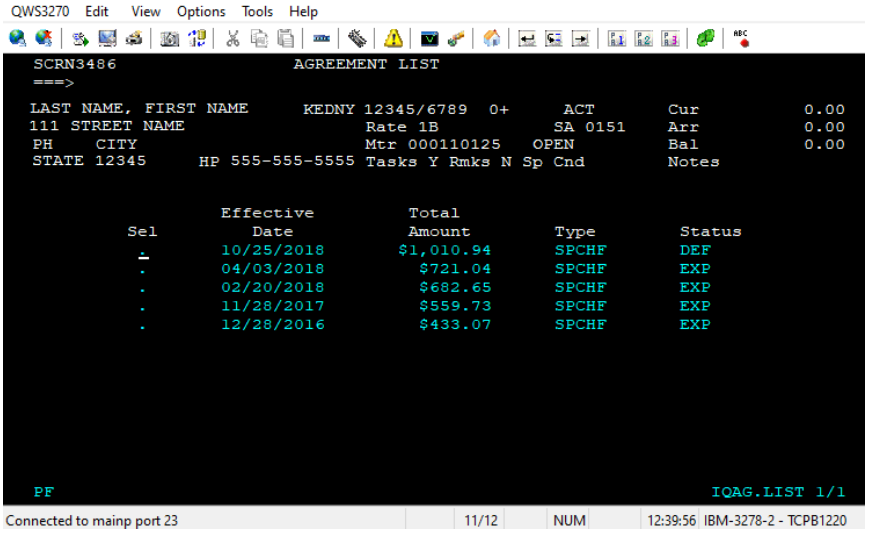
Conversation IQAG provides information about current or prior agreements. To determine if the customer defaulted on a DPA, you need to review conversation IQAG and conversation AHCL.

Conversation IQAG - Agreement Inquiry

Conversation IQAG provides information about current or prior DPAs. If there is a history of more than one agreement, an agreement list screen is displayed. Select the agreement you need to review from the list, if applicable.

Notes:

Conversation IQAG – Agreement Inquiry Screen



Description of Fields

Agreement Data

Agreement Type – This field displays the type of agreement.

> **Note:** Residential customer accounts will display either SPCHF (Specific HEFPA) or GENHF (General HEFPA). Non-Residential customer accounts will display Other.

Agreement Status – This is a code field that displays the status that is associated with the selected DPA.

Agreement Date – This field displays the date that the DPA was made. This is not necessarily the same date that the customer accepted the DPA.

Downpayment Due Date – This field displays the date that the downpayment was due.

Agreement Due Date – This field displays the date that the monthly DPA installment is due.

Number Installments – This field displays the number of monthly installments that are needed to complete this DPA.

Number Reinstates – This field displays the number of times that this DPA was reinstated after a default.

Agreement Amount – This field displays the dollar amount that was included in the DPA.

Downpayment Amount – This field displays the dollar amount for the DPA downpayment.

Installment Amount – This field displays the dollar amount for the DPA monthly installment.

Payments to Date – This field displays the dollar amount of all payments applied to the DPA.

Installment Due – This field displays the code and decode for the installment schedule. All National Grid DPAs are scheduled for monthly installments.

Received Signed Agreement – This is a Y/N (Yes/No) field indicating whether National Grid received the signed DPA from the customer.

Note: If a customer defaulted on a DPA, review conversation AHCL to determine the date of the Defaulted DPA. This will help you determine if the customer is eligible for another DPA.

Notes:

Offering a Deferred Payment Agreement

Notes:

After you review the account to determine if the customer is eligible for and needs a DPA, you need to explain the following information to the customer.

- The customer must pay the DPA downpayment on or before the downpayment due date. This date is available in conversation CAAG.
- The customer must pay the DPA installment amount each month on or before the installment due date. *This date is available in conversation CAAG.*
- The customer must pay all bills issued after the current date (*today's date)* in full, before the bill becomes past due.

DPA Terms – Residential Customers
If the residential customer is eligible for a DPA, the terms that can be offered appear in the Request Agreement screen (PF03) in conversation CAAG. *If the Request Agreement screen does not display terms for the agreement, the residential customer is not eligible for the DPA.*

CRIS provides 2-types of DPAs for residential customers, they are:

Specific HEFPA DPA – The downpayment is 15% of the balance. The remaining balance is paid over a 10-month period. *The balance may be paid in less than 10 months if monthly installments would be less than $10.00.*

General HEFPA DPA - The downpayment amount is provided by the customer and is more than 15% of the balance. The remaining balance is paid in less than 10 months. *National Grid does not offer a General DPA to the customer. If the customer has a general DPA, the customer provided the terms for the DPA.*

Note: If this DPA is requested, supervisor approval is required to establish this DPA. If approved, create an ASRQ stating, "SUP OK DPA TERMS".

Residential customers must be offered Balanced Billing if they accept a DPA.

Extended Payment Plan – Offered for Active Accounts only and customers are only eligible for one extended payment plan per calendar year (January – December). The downpayment amount is 10% of the balance. The remaining balance is paid over 18 months if the total account balance is less than $1500.00. If the total account balance is $1500.00 or greater, the remaining balance is paid over 24 months.

Notes:

Note: If the residential customer claims a hardship, the customer can go into one of our District Offices or go online to our website to complete a 3596 form to see if they qualify for a minimum DPA. https://www.nationalgridus.com/Financial-Statement-Calculator-NYC

DPA Terms – Non-Residential Customers
If the non-residential customer is eligible for a DPA, they can be offered an OTHER agreement. The terms that can be offered are:

Downpayment – The downpayment amount is determined by the Collection Field Visit status of the account. If National Grid visited the premises to *Collect or Lock the Meter*, the downpayment is 50% of the arrears. If National Grid did not visit the premises to *Collect or Lock the Meter*, the downpayment is 30% of the arrears.

The number of monthly installments available for a non-residential customer cannot exceed 6-months.

Accepting the Downpayment Amount

If the customer is eligible to use check payment by phone and you offer a customer a DPA, ask the customer if they want to pay the downpayment amount using check payment by phone. If the customer wants to pay the downpayment now, process conversation CSTC.

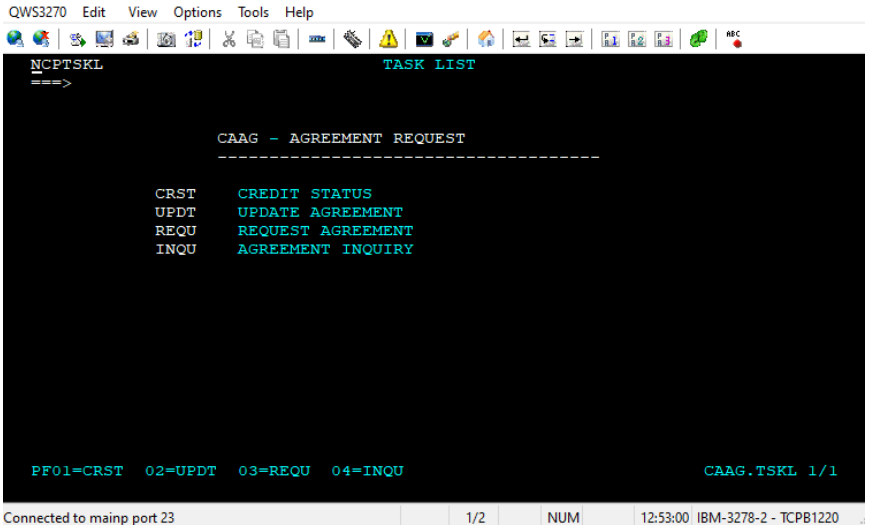
All DPAs are processed using conversation CAAG.

Conversation CAAG – Agreement Request

Conversation CAAG allows you to review, add, or update an agreement with a customer. Conversation CAAG contains 4-screens, they are:

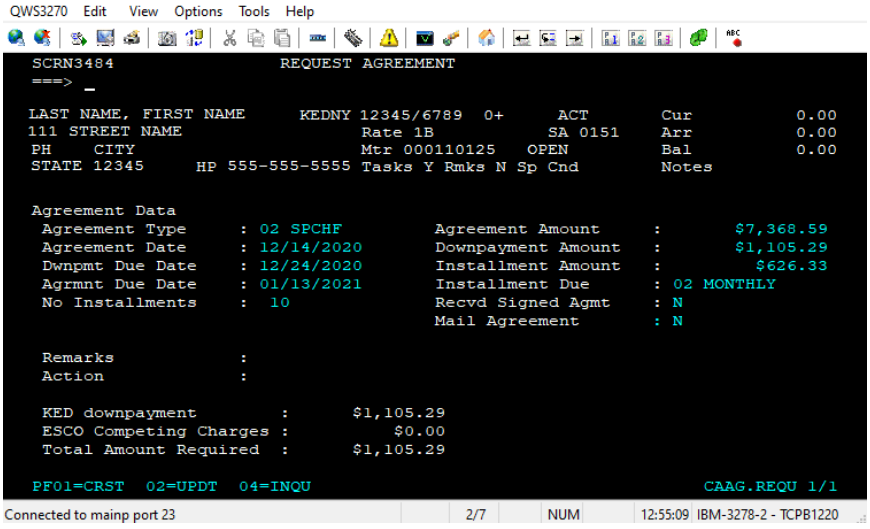
- Credit Status (PF01) – This screen is conversation IQCS.
- Update Agreement (PF02) – This screen allows you to change an existing agreement or to reinstate a defaulted agreement
- Request Agreement (PF03) – This screen allows you to add a new agreement.
- Agreement Inquiry (PF04) – This is conversation IQAG.

Conversation CAAG – Agreement Request Task List Screen



Notes:

Conversation CAAG – Request Agreement Screen (PF03)



The terms that can be offered to the customer appear in this screen. If the customer wants terms that are easier to pay then the terms displayed in this screen, they must be referred to the Customer Office or web to complete a Financial Statement (Form DSS3596).

If the customer is referred to a Customer Office, cancel (PF24) out of conversation CAAG and process conversation ASRQ or ASCN to fully notate the account.

Description of Fields

Agreement Data

Agreement Type – This field displays the type of agreement. CRIS automatically determines the DPA type that is offered to the customer.

Agreement Date – This field displays the current date.

Dwnpmt Due Date – This field displays the date that the down-payment is due.

Agrmnt Due Date – This field displays the date that the monthly DPA installment is due. *This date is 30 days in the future indicating the date that the 1st installment is due.*

No Installments – This field displays the number of monthly installments that are needed to complete this DPA. *This field can be changed if the customer negotiates other terms.*

Notes:

Agreement Amount – This field displays the dollar amount that is included in the DPA.

Downpayment Amount – This field displays the dollar amount for the DPA downpayment. *This field can be changed if the customer negotiates other terms.*

Installment Amount – This field displays the dollar amount for the DPA monthly installment. *This field can be changed if the customer negotiates other terms.*

Installment Due – This field displays the code and decode for the installment schedule.

Note: All National Grid DPAs are scheduled for monthly installments.

Received Signed Agreement – This is a Y/N (Yes/No) field prefilled with N (No). This can be updated when National Grid receives the signed DPA.

Mail Agreement – This is a Y/N (Yes/No) field prefilled with N (No). *This field is automatically updated when the correct action code is selected to mail the agreement.*

Remarks – This is a free form message field. Type any appropriate remarks concerning the DPA.

Action – This is a code entry field. Type the appropriate code for the action that you are selecting. Field Level Help (?) is available.

Select PF16 to process the DPA.

Notes:

Updating an Existing Agreement

An agreement may be updated by using conversation CAAG PF02. If an agreement exists against the account, this screen can be accessed. This screen can not be accessed if the customer had a defaulted agreement and it is passed the point of being re-instated or if the customer has never had an agreement offered to them in the past. Options to update an agreement include: accepting, reinstating, updating to reflect receiving a signed agreement, and terminating the agreement.

If the customer defaulted on a DPA and is eligible to have the DPA reinstated after payment is received, you need to access the Update Agreement screen to process the reinstatement.

Note: If the customer wants the DPA reinstated, they must pay the amount due before the DPA is reinstated.

Note: If the customer wants to renegotiate the DPA, the customer must visit a Customer Office with the appropriate documentation or fill the Financial Hardship application on the web.

Renegotiating a DPA

A DPA can be renegotiated if the customer has a significant change in their financial circumstances for reasons that were beyond their control and the change happened after they signed the DPA.

If the customer is eligible for a renegotiated DPA, refer the customer into a Customer Office or to complete the Financial Hardship application on the web and advise the customer that they must provide of the financial change.

Reinstate a DPA

If a customer defaults on a DPA and they are eligible to reinstate the DPA, you need to access conversation CAAG – Update Agreement screen (PF02) to get the amount that the customer needs to pay.

The reinstate amount that appears in conversation CAAG is the amount that is needed *as of the current date.* This amount is not *necessarily* valid in the future because the current bill may become due.

Notes:

Reinstate Payment Agreement Procedure - MAG/NYC

Last modified on 05/05/2023 10:41 am EDT

Summary | Work Instructions

1. Use Conversation **{CAAG}**. Go to **{PF02/UPDT}**.

2. Advise COR /SCOR the amount in the **{Reinstate Amount Field}**.
   - This amount is as of the current date.
   - Amount may not be valid in the future because the current bill may become due.

3. Advise the customer of the **{Current Charges}** that are due by the **Bill Due Date** to ensure the agreement does not default again.

4. Payment Agreement can be reinstated if customer:
   - Made payment through IVR and payment is pending, proceed to step 5.
   - Makes a payment over the phone: Follow Ways to Pay Procedure (https://cite.nationalgridus.com/docs/ways-to-pay-procedure)
     REMINDER: National Grid no longer processes credit and debit card payments over the phone with an agent. Follow the Pay Bill by Credit/Debit Card Procedure (https://cite.nationalgridus.com/docs/pay-bill-by-card) for more information.

     - If customer **pays** over the phone, proceed to step 5.
     - If customer **does not pay** over the phone, advise that the Payment Agreement will remain in defaulted status until the payment has been made and they call back in to reinstate the agreement if the reinstate option is still available.
     - If customer is unable to pay reinstatement amount, refer to DPA Guidelines to see next option for customer:
       - Residential DPA Guidelines - MAG (https://cite.nationalgridus.com/docs/magnyc-payment-agreements-residential-residential-dpa-guidelines-mag)
       - Residential DPA Guidelines - NYC (https://cite.nationalgridus.com/docs/magnyc-payment-agreements-residential-residential-dpa-guidelines-nyc)
     - **NOTES:**
       - CRS will **NOT** Auto-Reinstate the Payment Agreement when the payment posts to the account.
       - Advise the customer that a mailed in payment may take 7-10 business days and may not be received in time to reinstate the agreement.

5. If customer paid reinstate amount with agent over phone or CSR can see the IVR payment pending, in the **{Action}** field, type the code 0003 for Reinstate Defaulted Agreement.

6. Select **{PF16}** to process.

Summary | DPA Terms Overview | Work Instructions | Communications

This procedure explains the Deferred Payment Agreement (DPA) Jurisdictional Regulations for Active and Locked Non-Pay (LNP) Residential New York City (NYC) accounts.

Reminder: Always summarize the DPA terms for the customer - including down payment and due date, installment amount and number of installments, and monthly bill will include current charges *plus* DPA installment.

General Information:

- Customer can continue to be eligible for a new Specific/Standard Terms or Minimum Terms DPA if they have not defaulted on a previous agreement within the last 18 months.
  NOTE: Any COVID or Interim DPA that was made between March 2020 - April 2022 will not count towards the defaulted agreements.

- If there is a significant change in financial situation from the start date of the previously defaulted DPA, customer can provide reason and proof of hardship in order to renegotiate the Payment Agreement.
  - Customer will need to complete a Financial Statement to determine potential eligibility.
    - Send the customer the Financial Statement Calculator Solutions Email (https://nationalgridus.tfaforms.net/401) to complete it on their own **or**
      - Backoffice will add the DPA if the customer is eligible.
    - Advise customer to complete a Financial Statement at walk-in office
      - Send customer Financial Statement Proof Solutions Email (https://nationalgridus.tfaforms.net/761) which will provide them with examples of proof they can bring with them to the walk-in office as well as walk-in office locations.

- If the customer has defaulted on a Specific/Standard Terms DPA, they **are not** eligible for another Specific/Standard Terms DPA for a period of 18 months from the date of default.
  - Customer would still be eligible for Minimum Terms DPA if they qualify financially.
    - Customer will need to complete a Financial Statement to determine potential eligibility.
      - Send the customer the Financial Statement Calculator Solutions Email (https://nationalgridus.tfaforms.net/401) to complete it on their own **or**
        - Backoffice will add the DPA if the customer is eligible.
      - Advise customer to complete a Financial Statement at walk-in office
        - Send customer Financial Statement Proof Solutions Email (https://nationalgridus.tfaforms.net/761) which will provide them with examples of proof they can bring with them to the walk-in office as well as walk-in office locations.
  - If the customer defaulted on a General DPA they are still eligible for a Specific/Standard Terms DPA.

- If customer insists on paying more than 15% down with less than 10 installments, supervisor approval is required to establish the DPA.
  - If supervisor approves, use ASRQ to state "SUP OK DPA TERMS".

- Direct Pay/EFT is not permitted with a Deferred Payment Agreement (DPA). Refer to Direct Pay & DPA Talking Points (https://cite.nationalgridus.com/docs/direct-pay-dpa-talking-points) for more details.

5 - Collection Arrangement LIG

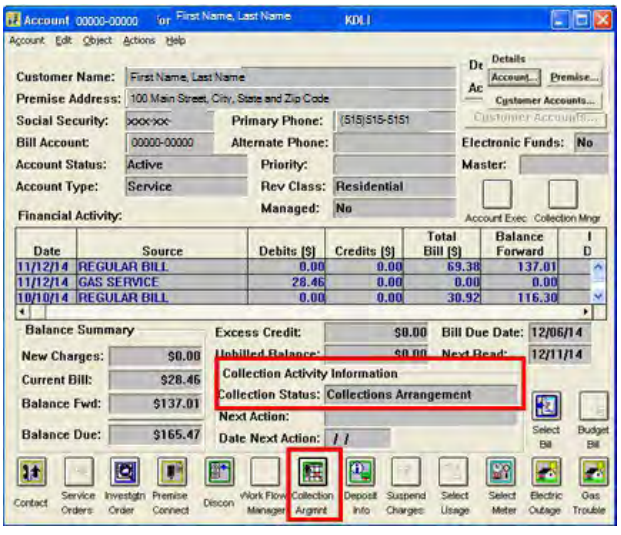
Last modified by Reg Henderson on 03/26/2021 9:05 pm EDT

A collection arrangement is a short-term rescheduling of payments for the full arrears and/or current bill that goes beyond the current due date. National Grid must effectively manage customer account arrears. Collection Arrangements have been established to enhance customer service and assist the customer with the maintenance of their gas account.

- CSS will offer from 36 to 42 days to schedule payments for residential accounts
- There are three installment options available for Collection Arrangements
  - One Installment Arrangement: used when the customer is going to make payment in full on a specific date
  - Multiple Installment Arrangements: used when the customer is going to make multiple weekly or bi-weekly payments
  - Calendar Arrangement: used when the customer is going to make scheduled payments within a maximum duration of 42 days
- Collection activity will stop for the time specified on the arrangement
- Prevents collection action from occurring if payments are received as scheduled
- Payments need to be scheduled for the full amount of the arrears
- CSS reviews all arrangements and defaults on the first missed payment
- Late Payment Charges will continue to be charged on the past due amount
- Commercial accounts may be allowed to have a collection arrangement for up to 6 months. This extended calendar is intended for Managed commercial accounts and should be used only at the discretion of the Account or Collection Manager.
- Collection Arrangement and Payment Agreement cannot exist on a bill account at the same time
- Previously defaulted Collection Arrangements require 25% down payment before a new arrangement can be issued

Key Functions and Features:

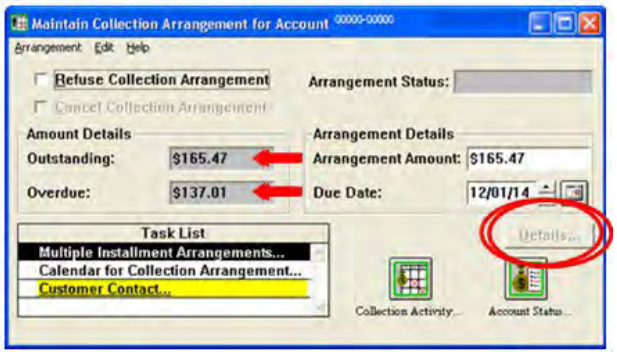
When there is an active Collection Arrangement on an account, the Collection Status on the Bill Account window will show Collections Arrangement.



There are several ways to access the Collections Arrangement dialog. From the **Bill Account** window use menu path, use the **Collections Arrangement** icon at the bottom of the bill account window or the Hot Key.

Path: { Actions / Account Actions / Collections / Maintain Collection Arrangement }		

Maintain Collections Arrangement:



The Details button on Maintain Collection Arrangement window will open the Display Collection Arrangement Details window. The Details button is only available when there is an active Collection Arrangement.

Display Collection Arrangement Details window

This window displays the details of an existing Collection Arrangement.

Issued: Displays the date the collection arrangement was originally created

Last Reviewed: Displays the date the collection arrangement was last reviewed

Review Status: The current status of the collection arrangement

- Active
- Defaulted
- Blank when creating a new arrangement

Last Amended: Date when the arrangement was last modified

Amendments: Number of times the arrangement has been modified

Installment details:

- **Date:** Date the installment was due or paid

Note: Three business days should have been manually added to the date the customer stated they will be sending in their payment. This allows time for processing the payment.

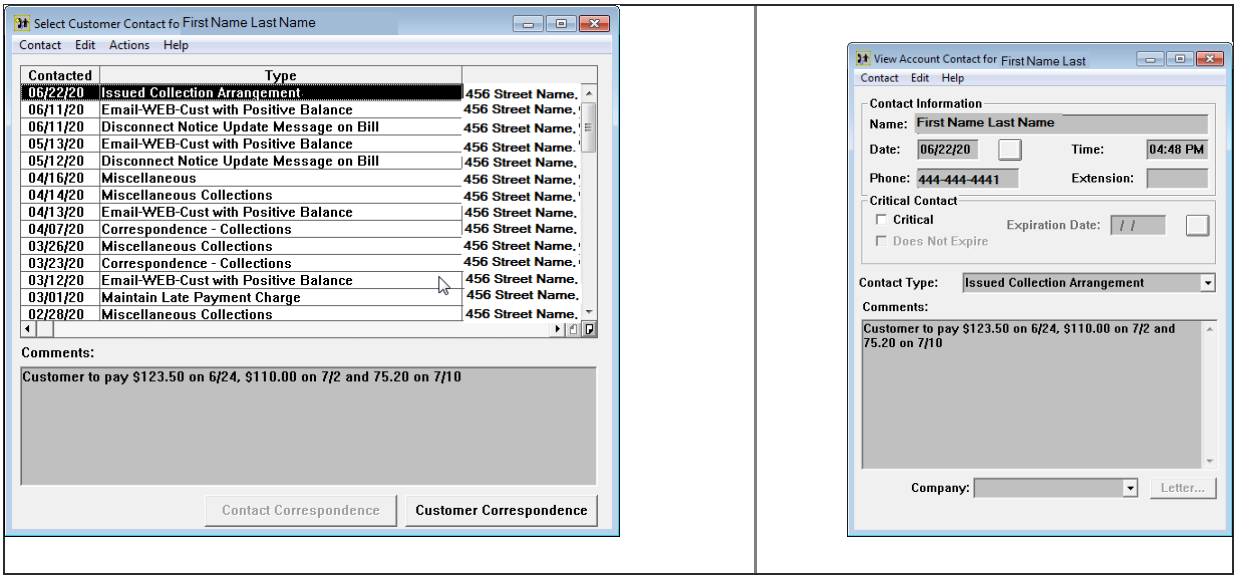
- **Type:** Shows if the installment was paid or is still due. When displaying Not Reviewed it is waiting for the due date to check if payment has been received.
- **Amount($):** The dollar amount owed or received

To close this window, select the **OK** button or select the **X** in the upper right hand corner.

Contacts for Collection Arrangements:

Customer contact information is critical for Collection Arrangements. If the customer defaults or the arrangement is changed, canceled or completed, the Issued Collection Arrangement Contact would be the only record to contain the details of the original arrangement or any changes.

To access the Collection Arrangement contact, select the Contact Icon on the Bill Account window



Double click on the **Issued Collection Arrangement** contact to access the contact information for the Collection Arrangement.

- When a Collection Arrangement is created the contact type is predetermined by CSS.

The contact should include:

- Name of the person agreeing to the arrangement
- Exact payment amounts
- Due dates

The due dates should be the ones the customer stated.

- Remember, three business days have been added to the dates in CSS to allow time to process the payment.

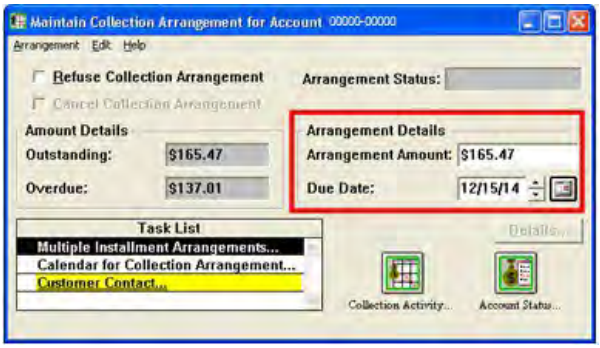
To close this window, use menu **Path: { Contact / Exit }** or select the **X** in the upper right hand corner.

Walkthrough

From the **Bill Account** window use menu **Path: { Actions / Account Actions / Collections / Maintain Collection Arrangement }**

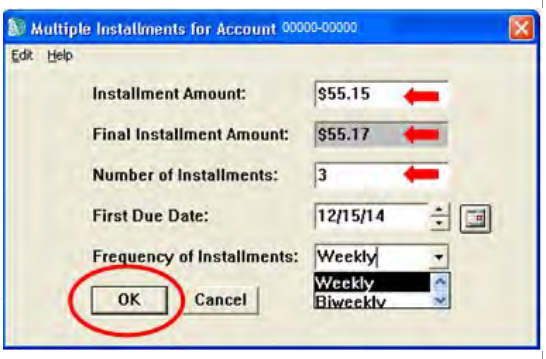
Payment in full on a specific date:

- Enter at least the overdue amount
- Enter the date the customer will make the payment (remember to add three days)



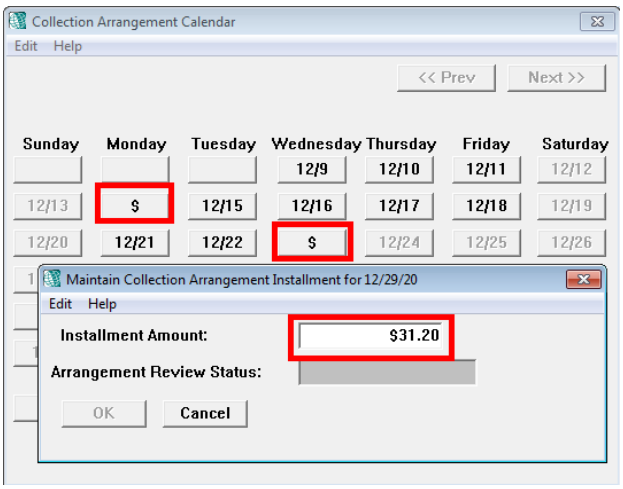
Multiple Installments: on a weekly or biweekly schedule. Select **Multiple Installment Arrangement** from the **Task List**

- Enter the amount of the payment and CSS will calculate the number of installments
- Enter the number of installments and CSS will calculate the amount of the payments
- Select Weekly or Biweekly and CSS will schedule the dates based on the First Due Date
- Select OK to continue

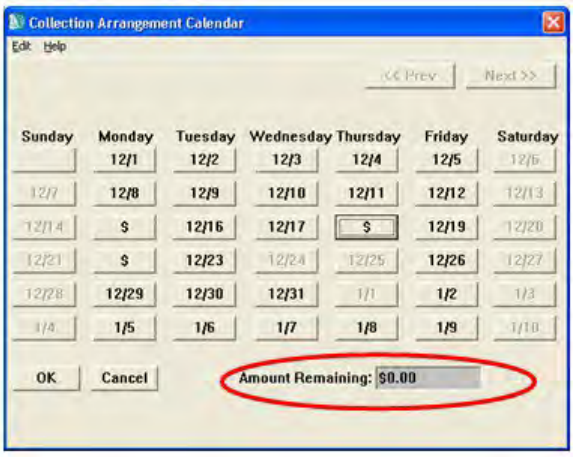


Scheduled payments by Calendar:

Choose the due date for the payment by selecting the appropriate button. (The payment dates previously selected will show as $ signs) Enter the amount of the payment for the date selected, then select OK.



The **Amount Remaining** must be $0.00 before selecting **OK** to continue.



Customer Contacts for Collection Arrangements:

Customer contact information is critical for Collection Arrangements. If the customer defaults or the arrangement is changed, canceled or completed, this would be the only record to contain the details of the original arrangement.

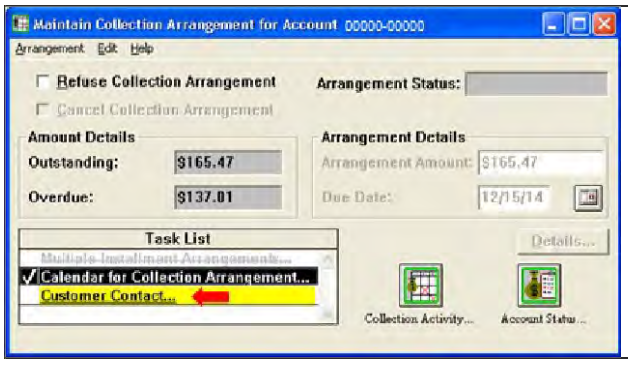
The contact must include:

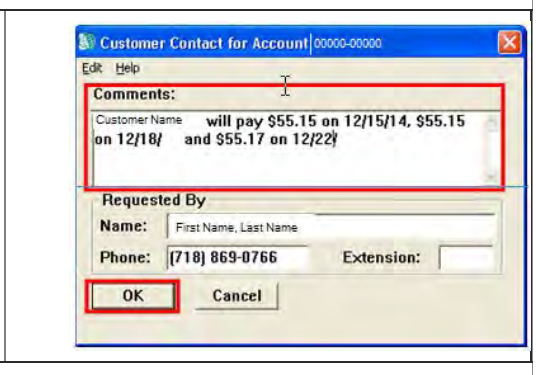
1. Name of the person agreeing to the arrangement
2. Exact payment amounts and method of payment
3. Due dates

The due dates should be the ones the customer stated:

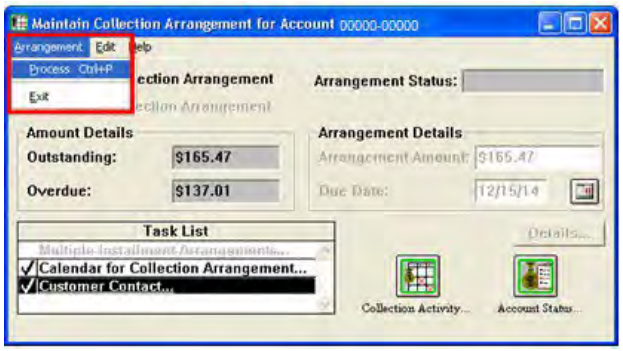
- Remember, 3 business days should be added if making electronic payments
- 5 business days should be added if sending payment by mail
- Cash Only- Offer accepted payment options

Complete the **Task List** by adding the **Customer Contact information**





Select **OK** to continue and use menu **Path: { Arrangement / Process }** to execute the transaction



Re-retrieve the account to view the collection arrangement details.

Cancel Collection Arrangement:

Select the Cancel Collection Arrangement radio button, add a contact and process out. This cancels the collection arrangement.

6 - Payment Agreements LIG

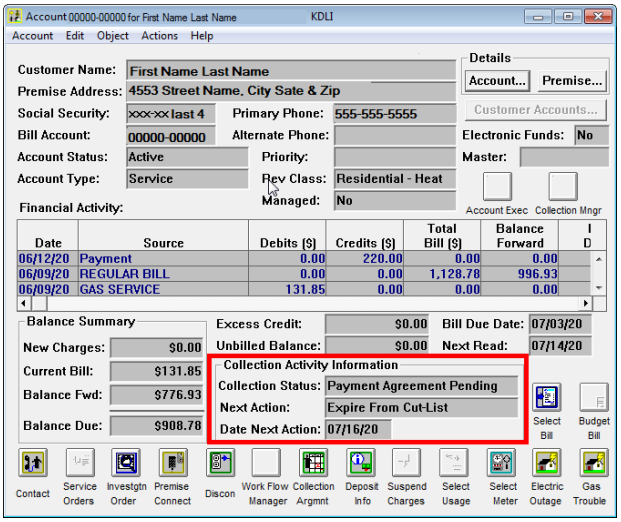
Last modified by Reg Henderson on 03/26/2021 9:05 pm EDT

A Payment Agreement gives the customer the option to pay arrears plus the current bill or the average monthly bill (budget) over a longer period of time.

- The system knows what the current charges are, the past due charges are and if there are any suspended charges. It calculates the payment agreement based on this information.
- Collection activities stop when the Payment Agreement is created
- Late Payment Charges stop when the customer is on a Payment Agreement
- When a customer defaults on a Payment Agreement, collection activity will immediately resume
- When a Payment Agreement defaults, CSS will automatically start accessing Late Payment Charges on the account
- The down payment due date is ten days from the date of creation and will default if not received within that time
- The system will automatically restore a Payment Agreement when a payment is posted equal to the restore amount and the account has not been cut out for non payment
- A Payment Agreement and a Collection Arrangement cannot exist on an account at the same time
    - An active Payment Agreement needs to be manually canceled before creating a Collection Arrangement
    - An active Collection Arrangement will automatically cancel when a Payment Agreement is created

Key Functions and Features:

If there is an active Payment Agreement on an account, the Collection Status on the Bill Account window will show Payment Agreement.

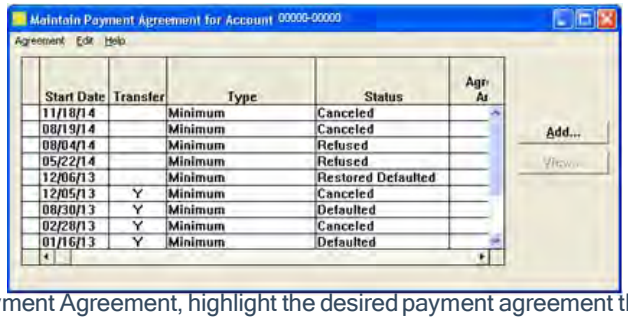


From the **Bill Account** window use menu path to access the payment agreement dialog.

Path: { Actions / Account Actions / Collections / Maintain Payment Agreement }	

Maintain Payment Agreement:

This window will display current payment agreement information as well as historical agreement information.



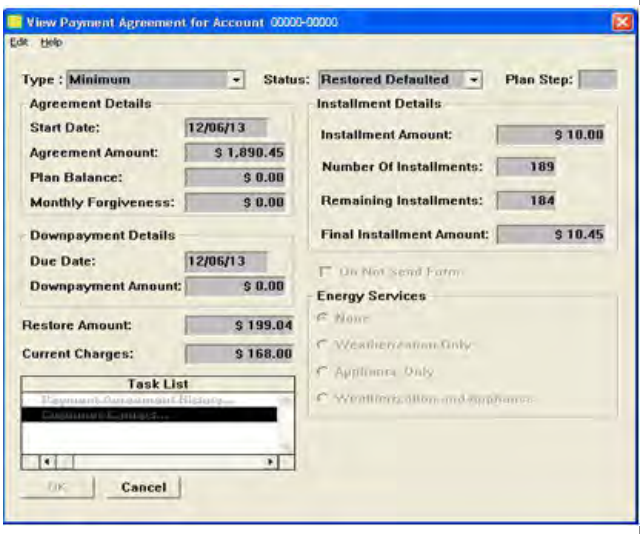
To view the details of the Payment Agreement, highlight the desired payment agreement then select the **View** button. If the payment agreement is active or can be restored, the button will read as **Change.**

View Payment Agreement window:

Type: Type of agreement (vary by state)

Status:

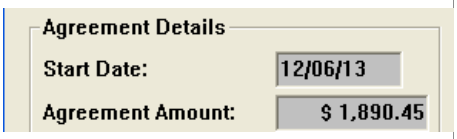
- **Active:** Current
- **Restored:** Payment received late and agreement was reinstated.
- **Canceled:** Manually canceled
- **Refused:** Signed agreement not received
- **Defaulted:** Customer did not pay as agreed
- **Restored Defaulted:** Customer did not pay as agreed on a restored agreement
- **Completed:** Paid in full
- **Restored Completed:** Paid in full



Agreement Details:

Date Started: Date agreement was created

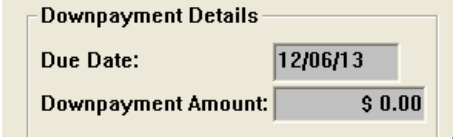
Agreement Amount: Payment agreement dollar amount



Downpayment Details:

Down payment Due Date: Date down payment is due by (10 days from creation date)

Down payment Amount: Amount of down payment



Restore Amount: Amount due to restore a defaulted payment agreement

Current charges: Current amount due

Installment Details:

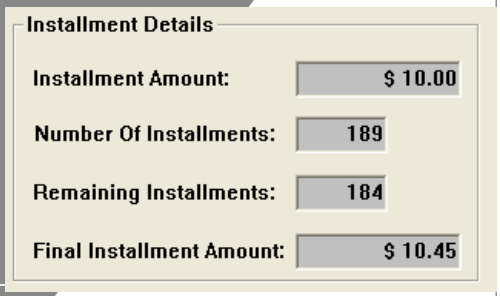
Installment Amount: Amount of monthly installment

Number of Installments: Total number of installments scheduled for this payment agreement

Final Installment Amount: Amount of last installment

Remaining Installments: Number of installments that have not been billed

Select the **Cancel** button to close this window or select the **X** in the upper right hand corner.



Use menu **Path: { Agreement / Exit }** To close the **Maintain Payment Agreement** window or select the **X** in the upper right hand corner.

7- Payment Agreement Guidelines LIG

Last modified by Reg Henderson on 01/26/2021 2:21 pm EST

If a customer has no previously defaulted payment agreement (or the last agreement is refused), offer a "Negotiated Standard" payment agreement. **No** financial statement is required.

Never change the terms of the "Negotiated Standard" payment agreement.

A "new" script must be read prior to completing **all** financial statements.

Customers are **required** to verify their financial statement by providing documentation of income and expenses before being offered a "Minimum" payment agreement.

Always ask the customer if they can make a payment today. Offer to take a free Check by Phone payment, if the customer would like to pay by Debit or Credit card advise that we unable to process over the phone with an agent, but we can transfer them to Western Union to make a payment.

Suggested Language regarding payment options:

We offer three repayment programs:

1. A short-term Collection Arrangement that will assist with paying the balance in full within 36 to 40 days with flexible installment amounts you choose, and will require a 25% down payment to start. Late payment charges of 1.5% per month will continue to apply.

2. A Standard Deferred Payment Agreement is a longer-term monthly repayment plan which requires 15% of your full balance as a down payment , the remaining balance to be paid in equal monthly installments, plus your current bill each month. This agreement requires you pay the down payment, sign and return the agreement within 10 days in order for it to be activated.

3. A More Lenient Deferred Payment Agreement (Minimum) is offered to customers who are able to demonstrate financial need. A down payment is not required and installments may be as low as $10 per month plus your current bill. To apply for a more lenient deferred payment agreement, you will need to provide documentation of your income and allowable household expenses.

Please read the following script prior to completing every financial statement:

"In an effort to assist you with payment options, I would like to complete a financial statement by asking you a series of questions regarding your income and expenses. Please provide actual figures from the last 30 days as you will be required to send supporting documents."

To **Add** a new **Payment Agreement**, use the menu path to access the **Maintain Payment Agreement** dialog.

Path: { Actions / Account Actions / Collections / Maintain Payment Agreement }

Add a Payment Agreement:

Select the **Add** button

- Select the Payment Agreement Type from the drop down box. CSS will only display valid offers based on the customers credit rating and history.
- Based on the type of Payment Agreement selected, CSS may prefill the necessary field, or they may have to be entered manually.
- **Down Payment:** Enter amount to be paid as a down payment. CSS may automatically calculate the installment amounts and number of installments.
- **Installment Amount:** Enter the desired installment amount, CSS will calculate the number of installments
- **Number of Installments:** Enter the number of installments, CSS will calculate the installment amount.
- **Do Not Send Form:** Payment Agreements require a signature from the customer of record. A form is automatically sent to the customer unless this box is selected.

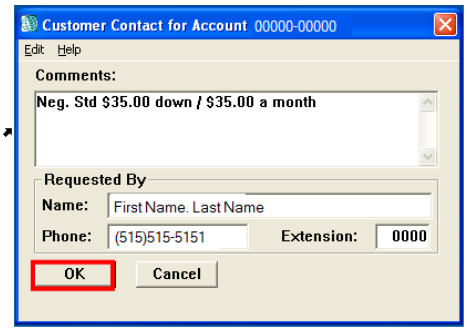
Select the Customer Contact from the Task list

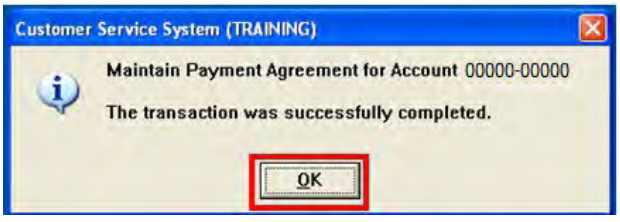
Enter appropriate comment detailing the payment agreement.

Select **OK** to continue

Select **OK** again to continue

Use menu **Path: { Agreement / Process }** to process the transaction.





An informational message will confirm the payment agreement was processed. Select **OK** to continue.

Exercise

1. Using the bill account number supplied by the instructor, create a Negotiated Standard payment agreement.

Financial Statement Procedure - LIG

Last modified on 05/08/2023 2:06 pm EDT

1. Ask the customer if they would like to complete the Financial Statement online on their own or over the phone with you?

NOTE: **To complete it over the phone, the customer must have all income and expense figures/estimates.**

- **Online** -
  - Send the customer the Financial Statement Calculator Solutions Email (https://nationalgridus.tfaforms.net/760). They will be able to submit proof within the online calculator.

- **Over the phone -**
  - Read the script below to the customer to obtain consent to complete a financial statement:
    - ***"In an effort to assist you with payment options, I would like to complete a financial statement by asking you a series of questions regarding everyone's income in your household and your household's allowable expenses. It is very important that we use actual figures from the last 30 days. You will likely be required to provide supporting documents for all incomes and expenses. Do you have those documents / actual figures available to begin, at this time?***
  - If customer answers **no,** advise the customer**:**
    - The Financial Statement can't be completed until they have the required documents.
    - If they do not want to complete the Financial Statement online, they have to call us back when they have all documents:
      - Collections Department: 1-800-930-5003
        - Hours:
          - 8:00am - 5:00pm Saturday

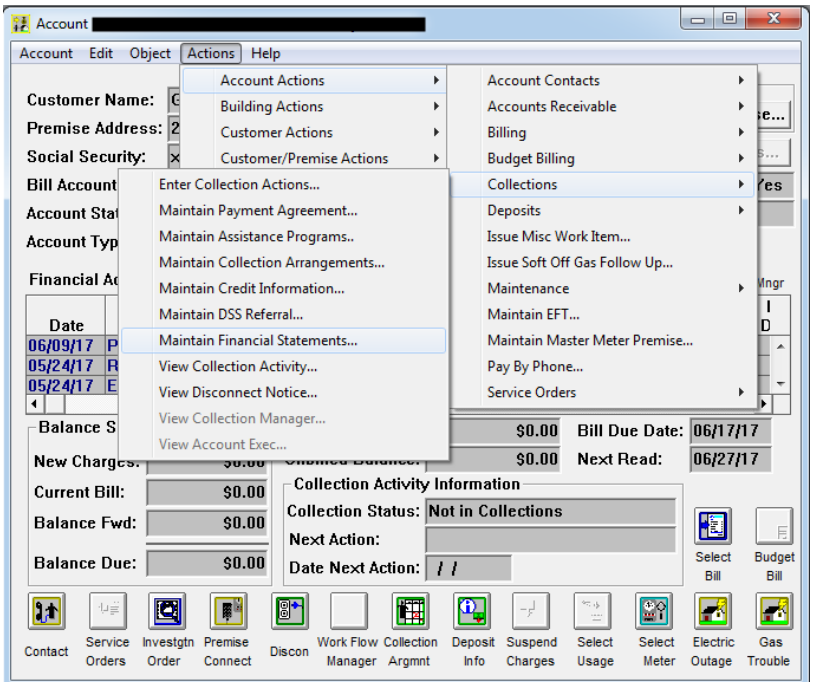
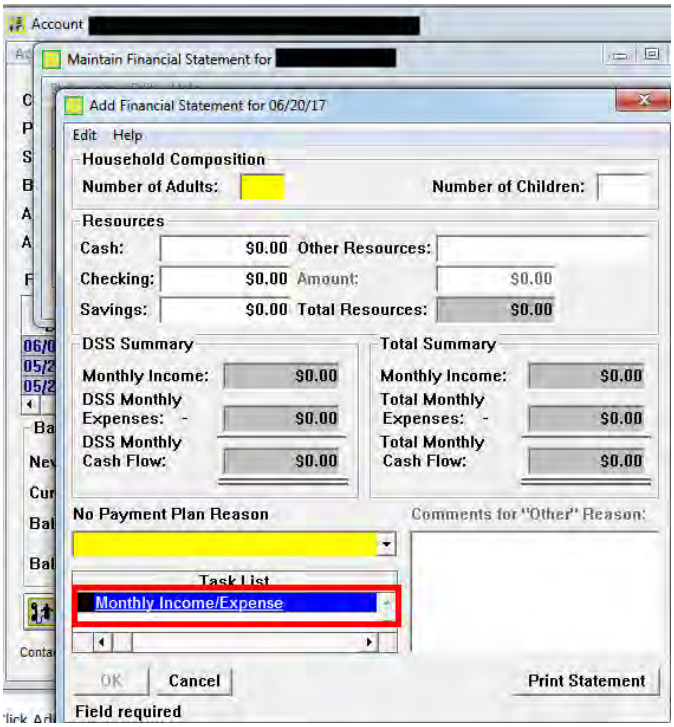
Process Description

Once the documents are received, review the contacts on the account to ensure no previous documents were received. Look for 'General Collections' contact. **{Object/Account Object/Select Account Object}**

Update the Financial statement in CSS based on what was received. **{Actions/ Account Actions/Collections/Maintain Financial Statement}**



- Review the date of the financial statement. If it is 30 days or older, then the customer needs to be contacted to call collections to set up a new statement.
- If the date is less than 30 days, click change to update the customer's financial statement
- Click Monthly Income/Expenses



All fields must be updated, except for:

- Food/non Food
- Personal
- Utilities average bill
- Basic Phone

When everything in the financial statement has been verified, check to see what the customer's cash flow is.

Eligibility

- Customers are eligible if:
  - A negative cash flow or a positive cash flow of LESS than $100
  - Contact the customer and see how they would like it sent Email/Fax/DocuSign/Mail.
  - Use CSS to set up a minimum DPA – leave it in pending status and if the customer does not want the DPA form by mail click on the "do Not Send Form" box.
  - Add General Collections Contact on the account, notifying that the customer is eligible for a minimum DPA. (See Activate DPA Article for more information)
- Customers are **not** eligible if:
  - A positive cash flow greater than $100. A contact should be put on stating such.
- A General Collections contact should be placed on the account notifying the customer of the ineligibility.

What to Say

For every call made to the customer, the representative must state:

"Hello. This is [Your Name] from National Grid. Please be advised that this call may be monitored or recorded to ensure quality service. I am calling you…."

Financial Statement is older than 30 days

- State documents were received
- Advise initial statement is expired
- Advise the customer to contact collections to set up a new statement.

Not all Financial Statement documents received/not accepted

- State what documents were received
- Advise what documents cannot be accepted and/or missing

The customer qualifies for Minimum DPA

- All financial statement docs were received
- Customer is eligible for DPA, there is no down payment
- There will be additional $10 charge to the customer's monthly bill until unpaid balance is cured
- Customer needs to sign and return the agreement by the date stated on the DPA

The customer does not qualify for a minimum DPA

- All financial statement docs were received
- State that the customer is not eligible for the minimum DPA
- Advise the customer to contact Collections for further options

Summary | DPA Terms Overview | Payment Options Tables | Work Instructions | Scripts | Collections Checklist | Communications

This procedure explains the Deferred Payment Agreement (DPA) Jurisdictional Regulations for Active and Cut-Out Non-Pay (CONP) Residential Long Island Gas (LIG) accounts.

Reminder: Always summarize the DPA terms for the customer - including down payment and due date, installment amount and number of installments, and monthly bill will include current charges *plus* DPA installment.

General Information:

- Customer can only have one defaulted Standard or defaulted Negotiated Standard DPA AND one defaulted Minimum DPA per Account Collection Cycle.
  - If the defaulted DPA is on active account:
    - Look at the View Collection Activity Window.
    - If the account has been "Removed from Collections Paid" since the defaulted DPA started, the customer is eligible for a new DPA.
    - If not eligible, offer to restore prior DPA.
  - If no defaulted DPAs on active account:
    - Customer is eligible for a Negotiated Standard DPA or Minimum DPA if they qualify financially.
  - **NOTE:** COVID or Interim DPA that was made between March 2020 - April 2022 will not count towards the one Standard/Negotiated Standard & one minimum per account collection cycle.

- The most recent DPA is restorable during any month of the DPA's lifespan.
  - **Example:** If a DPA was set up in January and had 12 months of installments, the DPA would be restorable until December provided the customer pays the correct restore amount.
  - If the account is in the billing window and the restore amount is grayed out, calculate the restore amount using the Reinstatement Calculator (RALPH) (https://cite.nationalgridus.com/docs/reinstatement-calculator-system-steps-ralph-lig).

- Please verify that the account is **NOT** on a "Direct Voucher Program/Guaranteed Program" (DV/GU) before offering or setting up a DPA.
  - If the account is on DV/GU, the customer is **NOT** eligible for a DPA.
    - These programs can be found in the Maintain Assistance Program window {ALT + AALP}.
  - "DSS Other" is not a program. These customers **CAN** be offered a DPA.

- If there is a significant change in financial situation from the start date of the previously defaulted DPA, customer can provide reason and proof of hardship in order to renegotiate the Payment Agreement. A new Financial Statement would need to be completed, AMO would review proof and determine if customer is eligible for a new Minimum DPA.

- Direct Pay/EFT is not permitted with a Deferred Payment Agreement (DPA). Refer to Direct Pay & DPA Talking Points - LIG (https://cite.nationalgridus.com/docs/direct-pay-dpa-talking-points-css-lig) for more details.

	• **No** - Proceed to next step.

3.	During Moratorium/Cold Weather Period, refer to the HEAP Tip Sheet for Active Accounts (https://cite.nationalgridus.com/docs/heap-tip-sheet-for-active-accounts-lig) to determine if the customer may be eligible for HEAP prior to setting up a DPA.
	• Is customer potentially eligible for HEAP based on the income guidelines?
	  ◦ **Yes** - Advise the customer of the required information to apply.
	  ▪ DO NOT add a DPA to the account, doing so could jeopardize customer's ability to receive Emergency HEAP, which historically opens in January.
	  ◦ **No -** Proceed to next step.
	  ◦ **Does Not Want to Apply -** Proceed to next step.
	• Payment Agreements should NOT be canceled in order to prompt a Disconnect Notice for the customer to receive EHEAP.

4.

During Moratorium/Cold Weather Period, if customer has received HEAP within the last 30 days, follow these DPA steps before proceeding to normal DPA procedures in Step 5.

HEAP DPA Steps - LIG/UNY

- Per an agreement with the NYC PSC, notification of a HEAP benefit will either reinstate a deferred payment agreement (DPA) or a new minimum DPA will be negotiated **once all HEAP benefits have been exhausted.**
- In order to qualify, the customer must call **within 30 days from the date the last HEAP pledge was entered onto the account**.
  - Check the account to confirm they have received all Regular and Emergency HEAP suspends/payments applicable to them.
  - If customer has not received all available HEAP, refer them to HEAP Assistance.

Once all HEAP benefits have been exhausted:

- If the customer has **never had a DPA**, follow normal DPA procedures.

- If the customer has a **defaulted Negotiated Standard DPA**:
  - If HEAP covers the restore amount, restore the DPA.
  - If HEAP does not cover the amount needed to restore the DPA, quote the difference between the restore amount and the HEAP grant.
    - If the customer can pay that amount, once it's received, restore the DPA.
    - If the customer cannot pay the amount and the last HEAP pledge is over 30 days old:
      - Offer to complete a Financial Statement to determine if the customer is eligible for a Minimum DPA, follow normal DPA guidelines.

- If the customer has a **defaulted Minimum DPA:**
  - If HEAP covers the restore amount, restore the DPA.
  - If HEAP does not cover the amount needed to restore the DPA, quote the difference between the restore amount and the HEAP grant.
    - If the customer can pay that amount, once it's received, restore the DPA.
    - If the customer cannot pay that amount, offer the customer a **new Minimum DPA**.
      - Advise the customer that the signed DPA contract must be received by the Down Payment Due Date to remain on the agreement.
      - Send customer DPA form to sign:
        - **Verbal Consent / Email (to print and sign)**: Submit Customer Deferred Payment Agreement Solution Email (https://nationalgridus.tfaforms.net/wf64ORz)
          - If customer says yes to Budget Billing - Follow Start Budget Billing - CSS System Steps (https://cite.nationalgridus.com/docs/start-budget-billing-system-steps-css)
          - **NOTE:** Customer must have an email in order to verbally consent.
        - **Electronic Signature:** DPA Electronic Signature (DocuSign) - Active (https://azitwppusa01.azure.na.ngrid.net/)
        - **Mail:** CSS will automatically send via mail when DPA is added

NOTES:

- HEAP opens 11/1/22

5.

Is customer able to pay the 15% down payment required for a Negotiated Standard DPA?
NOTE: CSS will automatically calculate the down payment, number of installments and installment amount.

- **Yes** -
  - Down payment must be made within 10 Business Days (Down Payment Due Date can be found on Payment Agreement screen)
    - Ways to Pay Procedure (https://cite.nationalgridus.com/docs/ways-to-pay-procedure-lig)
    - Payment Location by Zip Code (https://www.nationalgridus.com/Long-Island-NY-Home/Billing-Payments/Payment-Locations.aspx?regionkey=nylongisland&customertype=home)
  - Send customer DPA form to sign
    - **Verbal Consent / Email (to print and sign):** Submit Customer Deferred Payment Agreement Solution Email (https://nationalgridus.tfaforms.net/wf64ORz) (Click HERE for steps (https://cite.nationalgridus.com/docs/residential-dpa-solutions-email-procedure-lig))
      - If customer says yes to Budget Billing - Follow Start Budget Billing - CSS System Steps (https://cite.nationalgridus.com/docs/start-budget-billing-css-system-steps-lig)
      - **NOTES:**
        - Customer must have an email in order to verbally consent.
        - Call must be recorded in order for customer to verbally consent.
    - **Electronic Signature:** DPA Electronic Signature (DocuSign) - Active (https://azitwppusa01.azure.na.ngrid.net/) (Click HERE for Steps (https://cite.nationalgridus.com/docs/docusign-dpa-procedure))
    - **Mail:** CSS will automatically send via mail when DPA is added
  - Add DPA to the account:

    Adding a Negotiated Standard Payment Agreement System Steps

    - In CSS, from the Bill Account Window, navigate to the Maintain Payment Agreement window.
      - **{ ACTIONS > ACCOUNT ACTIONS > COLLECTIONS > MAINTAIN PAYMENT AGREEMENT }**
    - Select Add
    - In the **{ TYPE }** dropdown select Negotiated Standard
    - In the **{ CUSTOMER CONTACT }** field type the Terms of the DPA
    - If the customer would like to verbally consent to the DPA terms or electronically sign the DPA form:
      - Check the DO NOT SEND box
    - Select Ok
    - Select **{ AGREEMENT > PROCESS }**
  - If customer verbally consented to DPA terms and Solutions Email was submitted, activate DPA:
    - Activate the DPA using the Maintain Payment Agreement screen.
      - Select the Pending DPA that you just set up and click Change.
      - Change the status to **Active.**
      - Enter comments: *Activating DPA, verbal consent received.*
  - If customer wants to sign via electronic signature or physical signature, DPA will be activated by AMO.
  - Read the customer the Negotiated Payment Agreement Established Script (Script Tab)
- **No** - Proceed to next step

6.

Determine if customer may be eligible for Minimum DPA.

- Complete a Financial Statement (https://cite.nationalgridus.com/docs/financial-statement-lig) to determine potential eligibility.
  NOTES:
  - If **Emergency HEAP** was promised within the last 30 days, customer automatically qualifies for a Minimum DPA.
    - Add Minimum DPA to account.
    - Advise customer must send in signed DPA by down payment due date.
  - You can offer the customer the option to complete the Online Financial Statement Calculator (https://www.nationalgridus.com/Financial-Statement-Calculator-LI) themselves. They will be able to submit proof within the online calculator. Send the customer the Financial Statement Calculator Solutions Email (https://nationalgridus.tfaforms.net/760).

- Is cash flow a *negative amount or positive amount less than $100*?
  - **Yes** -
    - Advise customer they **may** be eligible for a Minimum DPA but Financial Statement proof is required.
    - Send customer Financial Statement Proof Solutions Email (https://nationalgridus.tfaforms.net/411?tfa_11=LIG&tfa_6=Active) which will provide them with examples of proof they can submit.
    - Once customer submits proof, AMO will review for eligibility, contact customer if eligible, add Minimum DPA to account and send customer DPA form.
    - Advise customer service is not guaranteed until Financial Statement Proof is received and reviewed for eligibility.
    - **NOTES:**
      - DO NOT add Minimum DPA to account.
      - DO NOT send customer DPA form to sign.
  - **No** - Proceed to next step.

7.

Is the customer able to pay 10% of total balance due as a down payment to receive an Extended Payment Plan?

Extended Payment Plan Terms:

- Account balance less than $1,500 = 18 monthly installments
- Account balance greater than $1,500 = 24 monthly installments

NOTES:

- Extended Payment Plans DO NOT require a signed DPA.
- If customer has an open HEAP suspend, open the DPA window to determine how much the DPA would be for. The down payment should be 10% of the total DPA amount shown.

- **Yes** -
  - Down payment must be made within 10 Business Days (Down Payment Due Date can be found on Payment Agreement screen)
    - Ways to Pay Procedure (https://cite.nationalgridus.com/docs/ways-to-pay-procedure-lig)
    - Payment Location by Zip Code (https://www.nationalgridus.com/Long-Island-NY-Home/Billing-Payments/Payment-Locations.aspx?regionkey=nylongisland&customertype=home)
  - Add DPA to the account using the Maintain Payment Agreement screen. (Alt+AALM)
    - Select **Negotiated** option.
    - Manually enter the agreement terms.
    - Check the **Do Not Send** box.
    - Enter comments: *Customer set up on an Extended Payment Plan*
  - Activate the DPA using the Maintain Payment Agreement screen.
    - Select the Pending DPA that you just set up and click Change.
    - Change the status to **Active.**
    - Enter comments: *Activating DPA, no signature needed.*
  - Advise customer that Service is Not Guaranteed (SNG) – down payment must be posted by Down Payment Due Date to remain on agreement
- **No** - Advise customer they will need to seek assistance from an Assistance Agency (https://cite.nationalgridus.com/docs/residential-693b432-agency-referral-script).

	  ◦ Add a Collection Arrangement on the account.
	  ▪ Collection Arrangement Procedure (https://cite.nationalgridus.com/docs/collection-arrangements-lig).
	• **No** - Proceed to next step.

3.	**During Moratorium**, refer to the HEAP Tip Sheet for Active Accounts (https://cite.nationalgridus.com/docs/heap-tip-sheet-for-active-accounts-lig) to determine if the customer may be eligible for HEAP prior to setting up a DPA.
	• Is customer potentially eligible for HEAP based on the income guidelines?
	  ◦ **Yes** - Advise the customer of the required information to apply.
	  ▪ DO NOT add a DPA to the account, doing so could jeopardize customer's ability to receive Emergency HEAP, which historically opens in January.
	  ◦ **No -** Proceed to next step.
	  ◦ **Does Not Want to Apply -** Proceed to next step.
	• Payment Agreements should NOT be canceled in order to prompt a Disconnect Notice for the customer to receive EHEAP.

4.

During Moratorium, if customer has received HEAP within the last 30 days, follow these DPA steps before proceeding to normal DPA procedures in Step 5.

HEAP DPA Steps - LIG/UNY

- Per an agreement with the NYC PSC, notification of a HEAP benefit will either reinstate a deferred payment agreement (DPA) or a new minimum DPA will be negotiated **once all HEAP benefits have been exhausted.**
- In order to qualify, the customer must call **within 30 days from the date the last HEAP pledge was entered onto the account**.
  - Check the account to confirm they have received all Regular and Emergency HEAP suspends/payments applicable to them.
  - If customer has not received all available HEAP, refer them to HEAP Assistance.

Once all HEAP benefits have been exhausted:

- If the customer has **never had a DPA**, follow normal DPA procedures.

- If the customer has a **defaulted Negotiated Standard DPA**:
  - If HEAP covers the restore amount, restore the DPA.
  - If HEAP does not cover the amount needed to restore the DPA, quote the difference between the restore amount and the HEAP grant.
    - If the customer can pay that amount, once it's received, restore the DPA.
    - If the customer cannot pay the amount and the last HEAP pledge is over 30 days old:
      - Offer to complete a Financial Statement to determine if the customer is eligible for a Minimum DPA, follow normal DPA guidelines.

- If the customer has a **defaulted Minimum DPA:**
  - If HEAP covers the restore amount, restore the DPA.
  - If HEAP does not cover the amount needed to restore the DPA, quote the difference between the restore amount and the HEAP grant.
    - If the customer can pay that amount, once it's received, restore the DPA.
    - If the customer cannot pay that amount, offer the customer a **new Minimum DPA**.
      - Advise the customer that the signed DPA contract must be received by the Down Payment Due Date to remain on the agreement.
      - Send customer DPA form to sign:
        - **Verbal Consent / Email (to print and sign)**: Submit Customer Deferred Payment Agreement Solution Email (https://nationalgridus.tfaforms.net/wf64ORz)
          - If customer says yes to Budget Billing - Follow Start Budget Billing - CSS System Steps (https://cite.nationalgridus.com/docs/start-budget-billing-system-steps-css)
          - **NOTE:** Customer must have an email in order to verbally consent.

7. If customer has **not** had a Minimum DPA since the last time their account was current, determine if they may be eligible for a Minimum DPA.

- Complete a Financial Statement (https://cite.nationalgridus.com/docs/financial-statement-lig) to determine potential eligibility.
  NOTES:
  - If **Emergency HEAP** was promised within the last 30 days, customer automatically qualifies for a Minimum DPA.
    - Add Minimum DPA to account.
    - Advise customer must send in signed DPA by down payment due date.
  - You can offer the customer the option to complete the Online Financial Statement Calculator (https://www.nationalgridus.com/Financial-Statement-Calculator-LI) themselves. They will be able to submit proof within the online calculator. Send the customer the Financial Statement Calculator Solutions Email (https://nationalgridus.tfaforms.net/760).

- Is cash flow a *negative amount or positive amount less than $100*?
  - **Yes** -
    - Advise customer they **may** be eligible for a Minimum DPA but Financial Statement proof is required.
    - Send customer Financial Statement Proof Solutions Email (https://nationalgridus.tfaforms.net/411?tfa_11=LIG&tfa_6=Active) which will provide them with examples of proof they can submit.
    - Once customer submits proof, AMO will review for eligibility, contact customer if eligible, add Minimum DPA to account and send customer DPA form.
    - Advise customer service is not guaranteed until Financial Statement Proof is received and reviewed for eligibility.
    - **NOTES:**
      - DO NOT add Minimum DPA to account.
      - DO NOT send customer DPA form to sign.
  - **No** - Advise customer they will need to seek assistance from an Assistance Agency (https://cite.nationalgridus.com/docs/residential-693b432-agency-referral-script).

Negotiated Payment Agreement Established Script

Read this script to the customer when entering them into a Negotiated Standard Deferred Payment Agreement:

"I have entered a Negotiated Standard Deferred Payment Agreement on your account. You have agreed to make a down payment of (down payment amount) and you will pay the remaining amount on the following schedule (restate monthly installment and number of months). In order to avoid further collection activity, your down payment must post to your account by (down payment due date). A copy of your Negotiated Standard Deferred Payment Agreement will be sent to you or made available to you electronically. This agreement must be signed and returned within 10 calendar days - unless you verbally consented. If we do not received your signed agreement and down payment on time, the agreement will be considered refused and your account will be subject to all applicable collection activity."

Summary | DPA Terms Overview | Payment Options Tables | Work Instructions | Scripts | Collections Checklist | Communications

Task	What to look for
Contacts	• All Collections related contacts in the last 30 days. • All Critical Contacts.
Service Order Icon (If Lit)	• Verify if a CONP, Cut-In or Collections Investigation exist.
Suspend Charges Icon (If Lit)	• Check for Protections, HEAP or any other open suspends.
Payment Agreements (Alt + AALM)	• Review DPA history to determine if customer is eligible for a new DPA
Account Details Button	• Cash Only status • Rate (Is the customer Low Income?) • Collections Special Handling types • Disconnect Notices (DCN) Status

Collection Activity (Alt + AALL)	• To determine if Disconnect Notice (DCN) is applicable
	• 5 activity types that voids out a Disconnect Notice:
	  ◦ *Removed from Collections* - Disconnect Notice expired, no action was taken on the Disconnect order so it expired.
	  ◦ *Removed from Collections Paid* - Customer paid total past due balance on their account
	  ▪ This is when they are eligible for a new DPA if they have recent defaults.
	  ◦ *Removed from Collections under threshold* - Customer paid down to below $50
	  ◦ *Active Payment Agreement*
	  ◦ *Restored Payment Agreement*

TCPA	• For all accounts that do not have the consent box for the primary phone number checked "yes" or "no", read the TCPA script and mark "yes" or "no" accordingly. • This should also be done if the customer updates their primary phone number on the call as well.

Restore Payment Agreement Procedure - LIG

Last modified on 04/07/2023 11:12 am EDT

Summary | Work Instructions | Opportunities

This procedure explains how to restore a Deferred Payment Agreement (DPA) for a LIG account.

Before proceeding to Work Instructions, review the Residential DPA Guidelines - LIG (https://cite.nationalgridus.com/docs/residential-693b432-residential-dpa-guidelines-lig) to determine if customer should be restoring DPA or establishing a new DPA.

A Payment Agreement will default if :

- Down Payment is not received (posted) by the down payment due date **OR**
- Monthly payment (installment amount plus current charges) is not received (posted) by the bill due date.

A Payment Agreement can be restored if:

- A payment is received (posted) that is equal or greater than the restore amount
- The most recent DPA is restorable during any month of the DPA's lifepan.
  - Example: If a DPA was set up in January and had 12 installments, the DPA would be restorable until December provided the customer pays the correct restore amount.
- **NOTE**: If the account is in the billing window and the restore amount is grayed out, calculate the restore amount using the Reinstatement Calculator (RALPH) (https://cite.nationalgridus.com/docs/reinstatement-calculator-system-steps-ralph-lig).

Restore Payment Agreement Procedure - LIG

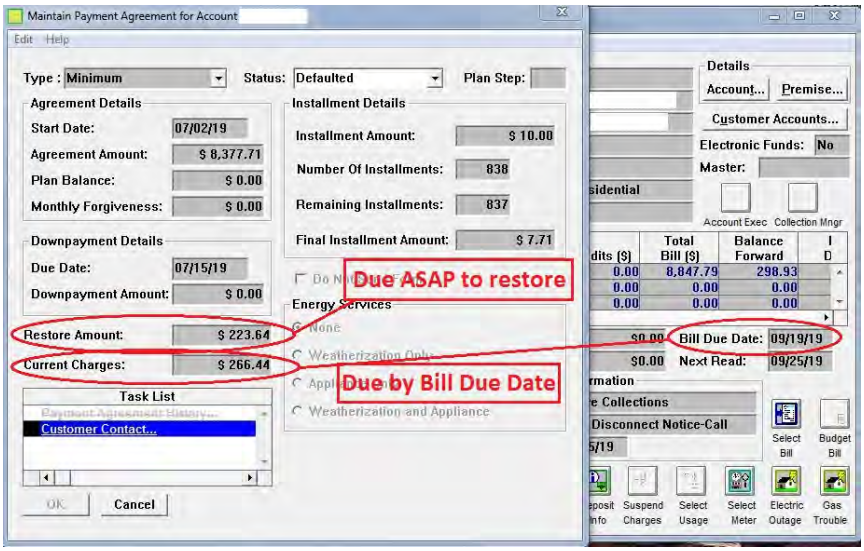
Last modified on 04/07/2023 11:12 am EDT

1. From the Bill Account Window **{Actions, Account Actions, Collections, Maintain Payment Agreement}**

2. In the **{Maintain Payment Agreement Window},** select the most recent agreement that indicates Defaulted and click **{Change}**

3. In the **{Restore Amount Field}** advise COR /SCOR the amount to restore the agreement.
   - If the account is within the Billing Window (https://cite.nationalgridus.com/docs/5-day-billing-cycle-css), the restore amount will not be displayed, calculate a restore amount using the Reinstatement Calculator (RALPH) (https://cite.nationalgridus.com/docs/reinstatement-calculator-system-steps-ralph-lig).
     - Be sure to note the account when using the RALPH calculator to determine restore amount.
   - **NOTES:**
     - The most recent DPA is restorable during any month of the DPA's lifespan.
       - **Example**: If a DPA was set up in January and had 12 months of installments, the DPA would be restorable until December provided the customer pays the correct restore amount.

4. Advise the customer of the **{Current Charges}** that are due by the Bill Due Date to ensure the agreement does not default again.



5. Offer to take payment over the phone: Follow Ways to Pay Procedure (https://cite.nationalgridus.com/docs/ways-to-pay-procedure-lig)
   REMINDER: National Grid no longer processes credit and debit card payments over the phone with an agent. Follow the Pay Bill by Credit/Debit Card Procedure (https://cite.nationalgridus.com/docs/pay-bill-by-debit-credit-card-procedure-lig) for more information.

   - If customer **pays** over the phone, proceed to step 6.
   - If customer **does not pay** over the phone, advise the customer of the following:
     - The Payment Agreement will remain in defaulted status until the payment has been received and processed.
     - The Restore Amount quoted is good until 4 days before the next bill becomes due. If a new bill becomes due before the restore amount is posted to the account, a new restore amount will need to be calculated.
     - **NOTES:**
       - CSS will Auto-Restore the Payment Agreement when the payment posts to the account.
       - Advise the customer that a mailed in payment may take 7-10 business days and a check by phone or IVR payment may take 3-5 business days to post to their account.
       - If customer promises to pay, note the account but agreement should **NOT** be restored.

6. If customer paid restore amount with agent over phone, change **{Status}** to Restore Pending.
   - If the account is in the Billing Window and the Status of the DPA cannot be changed manually and the customer paid the restore amount over the phone:
     - Place an **Other** suspend for 3 business days holding the entire account:
       - Suspended Charge - CSS System Steps (https://cite.nationalgridus.com/docs/suspended-charge-procedure-lig)
     - Advise the customer that CSS will Auto-Restore the Payment Agreement when the payment posts to the account

7. In the **{Task List}**, add a Customer Contact with details of the call. Click OK.

8. In the **{Maintain Payment Agreement Window},** select **{Agreement, Process}.**
